ON 8/31/07 I was on the tier of F-1 in division one at the time after we came from school, we were going down to change our clothes which we do every week, so while we were in the clothing room at the time the officer work the clothing tier was named officer carter #3009 told us if we would like to change our clothes then take of the things that we would like to change so most guys were changing including me, so I took off my shirt because I wanted a new one, so I ask the worker can I have a shirt so he was about to give me on, but officer carter told him to gave the shirt to him, and gave it to another inmate, so I said "a I wanted that shirt" he then said "who the fuck is you talking to motherfucker, and jump over the counter and pushed me so I told him not to put his hands on me, he then continued to push me until I was in a corner and told me to stay there, I was trying to leave out so that I could leave the situation alone but by then several officers came in and they wouldn't let me leave so I wait, he then started every body get the fuck out of here, so everybody left except a few of us then he said mother of fuck bring my workers in here and hurry up and get these people out of here, so his workers came back in and he rushed the other inmates out, and so I was left in there with all the officers

So they put on there gloves and things, so officers Carter told me to take off my pants that I had on, and started now who the fuck do you think you is and push me so I told him you not about to treat me like a dog so he said ok then if you don't want this shit what I'm about to give you then get the fuck out like that, I only had on my boxers, shoes and shirt, The other officers were about to shout the door when he said don't shut shit I want these motherfuckers to come and investigate me, so he said give this motherfucker a ~~1~~ X pants and shirt but I could fit it so I said I can't fit that so he said well get the fuck out so I was about to leave out, but I grab my old uniform and was about to leave but one of the officers grab me which his name was Stengel #7830 I told him to let me go so he did but as I was go out the door I was kick by Carter in my behind I tried to get up but all the officers started attacking me so I was yelling for help and trying to get into the hallway but they wouldn't let me they just kept maliciously beating me so I blank out when I gain conscious I was hand cuff and Sergeant Smith and Captain McGuire was there and ask me what happened but I couldn't explain because I was hurt. They took me to the dispensary but the person there told them that I would be OK, ~~but~~ I told them I need to go to the hospital, but they didn't take me, Superintendent Salazar and the chief of the division came and said don't take his ass nowhere, but to the hole, which me and a couple of others were taken.

VI. Relief:

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

I would like a lawsuit for 450,000 dollars for the way I was treated, beat, and for them not giving me medical treatment, for my mental anger, for family stress, for them throwing away all my legal property, and for the lack of professionalism on all levels because the incident could have been retain if Sergeant Cyles and Sergeant Smith didn't refuse to defuse the situation.
